Allotment Of Rights Issue Of

Allotment through a Rights Issue or Bonus Issue Shares can be allocated among existing shareholders as opposed to new ones, to the proportion of existing shareholding. In rights issue, shares will be offered at a discounted price to the market price whereas, in a bonus issue, shares will be allocated instead of a dividend payment.

Difference Between Allotment and Issue of Shares | Compare ...

A rights issue or rights offer is a dividend of subscription rights to buy additional securities in a company made to the company's existing security holders. When the rights are for equity securities, such as shares, in a public company, it is a non-dilutive pro rata way to raise capital. Rights issues are typically sold via a prospectus or prospectus supplement. With the issued
