Anatomy Of The State Murray

Murray Rothbard is considered by many of his devout followers the father of Libertarianism. This short read (only about 55 pages) dissects the role of the state and its intended purpose in the eyes of the author. As someone who has been both influenced and intrigued by the Libertarian ideology, I felt this was certainly a book I had to read.

Anatomy of the State: Murray N. Rothbard, Murray Rothbard ...

Anatomy of the State probes into the structure and legitimacy of government where it exposes the true predatory nature of government. Preserving the government apparatus is paramount to the continuation of plunder in a colluded alliance of the rulers, operators and intellectuals. Defining what the state is or not is critically important.

Anatomy of the State by Murray N. Rothbard

Murray Newton Rothbard (/ ˈ r ɒ θ b ər d /; March 2, 1926 – January 7, 1995) was an American heterodox economist of the Austrian School, economic historian and political theorist. Rothbard was the founder and leading theoretician of anarcho-capitalism, a staunch advocate of historical revisionism and a central figure in the 20th-century American libertarian movement.

Anatomy of the State: Rothbard, Murray: 9781614279884 ...

"The State has invariably shown a striking talent for the expansion of its powers beyond any limits that might be imposed upon it. Since the State necessarily lives by the compulsory confiscation of private capital, and since its expansion necessarily involves ever-greater incursions on private individuals and private enterprise, we must assert that the State is profoundly and inherently ...

Anatomy of the State by Murray Rothbard - 9781607967729 ...

What the State is Not The State is almost universally considered an institution of social service. Some theorists venerate the State as the apotheosis of society; others regard it as an amiable, though often inefficient, organization for achieving social ends; but almost all regard it as a necessary means for achieving the goals of mankind, a means to be ranged against the "private sector ...

The Anatomy of the State - LewRockwell.com

tims. The State provides a legal, orderly, system-atic channel for the predation of private property; it renders certain, secure, and relatively "peaceful" the lifeline of the parasitic caste in society.5 Since production must always precede predation, the free market is anterior to the State. The State has
