## **Generac 7550 EXL Generator: How do I remove the battery ...**

I purchased a used 7550exl and having issues. I don't have any of the books or tools that originally came with the unit. I printed the users manual online but nothing about my issues. The unit starts fine and runs but when I switch the Idle control to on the unit dies immediatly (Kinda resembles turning off the entire unit). Don't know if the issue could be Idle control switch, coil, system ...

Generac 7500 EXL Generator. I've owned the Generac 7500 EXL for a couple of yrs now. My first choice for a generator would have been a Honda but if you have priced the Honda's you understand. For my needs the Generac has done pretty well. All I use the generator for is backup power so it sits quietly covered most of the time.
