...

on intelligence and ambition. In *Outliers* Malcolm Gladwell argues that the true story of success is very different, and that if we want to understand how some people thrive, we should spend more time looking around them — at such things as their family, their birthplace, or even their birth date. The story of success is more complex — and

Outliers: The Story of Success (Little, Brown & Co; 2008)

In *Outliers*, Malcolm Gladwell examines several of the key factors that have led many people to success. However, it's not as simple as following a few steps. When you were born, how many hours you put into your craft, your cultural heritage and where you live can all greatly affect your success - or lack of it.
