Mentor A Memoir Tom Grimes

In this luminescent memoir, Tom Grimes peers into his own heart of darkness and stares down his own demons while simultaneously paying homage to his mentor and dear friend, Frank Conroy. His writing is grounded yet elevated, refined without being pretentious, and deeply emotional without being maudlin or overwrought.

Mentor is for anyone fascinated by the mundane mechanics of the writing world, and it's also an eloquently confessional memoir. A struggling writer whose manuscript ended up in Conroy's life, Grimes went from waiter and rejected writer to golden boy. His background was difficult: with no support from his dad, a failed first marriage, and a suicidal sister, Grimes describes his obstacles ...
