Much is known of the slave trade and the American plantation complex, but little of the ships that made it all possible. In *The Slave Ship*, award-winning historian Marcus Rediker draws on 30 years of research in maritime archives to create an unprecedented history of these vessels and the human drama acted out on their rolling decks. He reconstructs in chilling detail the lives, deaths, and terrors of captains, sailors, and the enslaved aboard a "floating dungeon" trailed by sharks.

And believe it or not, folks, this is actually a graphic understatement. You've got 482 men, women, and children here. We know for a fact that on one occasion, the slave ship *Brooks* carried not 482 people, but 609. And on another occasion, 638. And on yet another voyage, 740, which is 252 more than you see right here.
