Wikipedia

THE VAMPYRE was the first vampire tale written in English and the first to use the now familiar trope of the aristocratic creature of the night. It is considered to be the progenitor of the modern romantic vampire story. It was first published in 1819 without Polidori's permission and misattributed to Lord Byron.

Vampire poems began appearing in English about the turn of the 19th century, such as John Stagg's "The Vampyre" (1810) and Lord Byron's *The Giaour* (1813). The first prose vampire story published in English is believed to be John Polidori's "The Vampyre" (1819), about a mysterious aristocrat named Lord Ruthven who seduces young women only to
