Wicked Gentlemen Ginn Hale

I loved the words that Ginn Hale used in her book. It is full of atmosphere, depth, and wit. She created two unique and absolutely loveable characters with Belimai and Harper. WICKED GENTLEMEN is separated into two parts, two cases, but tells us the one story of how Belimai and Harper meet and ultimately find a future together.

Well for me, Wicked Gentlemen is one of those books. And I am completely envious of any lover of dark fantasy and/or gay romance who has yet to crack the spine on this gem. First time novelist Ginn Hale has created a world so tangible, so complete, that I felt as if I could smell, see, taste and feel everything right along with her characters.
